WORK EXPERIENCE

Okooone  **Phnom Penh, Cambodia**
January 2022 – Present

Software Engineer

- Developed and maintained an internal front-end application using **Angular, RxJS, and .NET**, delivering dashboard features that improved operational efficiency by **25%**.
- Engineered the front-end of a warehouse management system, integrating REST APIs to synchronize real-time inventory data across **3 warehouse** terminals.
- Optimized application performance by refactoring legacy code and implementing lazy loading, reducing page load times by **35%**.
- Collaborated with cross-functional teams (QA, product managers) to troubleshoot system bottlenecks.

DICHI Academy  **Phnom Penh**
October 2024 - Present

Full-Stack Instructor

- Design and develop a comprehensive coding curriculum tailored for beginners, ensuring a strong foundation in programming concepts.
- Teach full-stack development, covering front-end (**HTML, CSS, JavaScript**) and back-end (**Node.js, databases**) technologies.

Sabay Digital Corporation  **Phnom Penh**
September 2021 - January 2022

Frontend Developer

- Collaborated with project owners to translate business requirements into interactive web application mockups, ensuring alignment with user needs and design goals.
- Developed a scalable e-wallet system to facilitate coin top-ups and secure payment processing, supporting over **10K user** accounts with seamless transaction handling.
- Optimized code maintenance by building reusable components, improving development efficiency and reducing redundancy.

LEADERSHIP EXPERIENCE

The U.S. Ambassador Youth Council  **The U.S. Embassy, Phnom Penh**
March 2021 - April 2024

President

- Led a 8-member cross-functional team of project coordinators to execute **4 annual initiatives** focused on youth engagement and civic education, achieving **95%** on-time delivery of program milestones.
- Authored monthly progress reports for the U.S. Embassy Public Affairs leadership, securing annual funding and aligning council objectives with diplomatic priorities.
- **Oversee 25 members** on project management and report.
